BRAND NEW RAM 1500 WORK TRUCK

H.I.R.E. Extended!

The HIRING INCENTIVES to RESTORE EMPLOYMENT Act of 2010
Would like to save you or your business thousands in taxes?
2011 extension of Increased First-Year Expensing. When you buy a new Ram Truck, the Internal Revenue Service gradually considers it "Section 179" property. The cost of that "property" is an expense that can be deducted in the tax year it is placed into service. A qualifying business can expense up to \$500,000! Consult your tax advisor for details.

THINK RAM when you or your business needs a new truck. During the Commercial Truck Season Sales Event, you can **SAVE THOUSANDS NOW** and **THOUSANDS MORE** on this year's taxes. Ask our experts how to save on **PLOWS, SALTERS, RamBox YOUR logo, YOUR lettering and Up-fit Packages.**

SELECT CHRYSLER, JEEP, AND DODGE MODELS NOW INCLUDED IN THE BUSINESS LINK PROGRAM!
